REHABILITATION CONSULTING

& SERVICES, or RCS, is North Dakota Vocational Rehabilitation. We are the leaders in disability-related solutions.

We assist eligible individuals with disabilities in improving their employment opportunities.

Our consultants work with you to develop an Individual Employment Plan that is based on your interests, needs, abilities, and capabilities. You make informed choices based on the goals of your plan.

Quality Workers and Quality Work drive North Dakota's economic engine. At RCS, we want to provide the right mix of services that will make you an active participant in our state's growing economy.

Your success is our ultimate goal!

You benefit from services offered in **6** broad groupings.

Evaluation - medical, psychological, education, work

Vocational Guidance and Counseling - interest testing, evaluations of strengths and the effects of your disability on your work, planning and implementing corrective strategies, and helping you to adjust to and live with a disability

Training - on the job, job coaching, job mentoring, academic

Employment - develop resume writing skills, develop interview strategies, job referral, placement, follow-up

Accommodations - adaptive aids, assistive technology, accessibility and work site evaluations, and A.D.A issues

Restorations - (medical, psychological) treatment, orthotic and prosthetic devices and other types of accommodations

RCS can help you find out what your interests and abilities are, so you can determine a career path.

We can help you figure out what barriers to employment you may have and how to change or minimize these barriers.

Plus, RCS can help you figure out what services you need to get into employment and how to obtain those services.
